Re: Required Quarterly Conference

This is a reminder to meet with your adviser for a winter quarter conference between 4th and 7th weeks (January 23-February 17). Please take time this week to stop at the reception desk in Harper, or call the receptionist at 702-8615, to make your appointment.

At this meeting you and your adviser will review your first quarter in the College and begin to develop an academic plan for next year. This appointment is also an opportunity to explore career and co-curricular interests and to reflect on your experience up to now as a student at the University of Chicago.

Please make and keep your appointment before the deadline. You must meet with your adviser before the end of 7th week to be allowed to preregister during 8th week for Spring Quarter. As you know, advisers' appointments fill up quickly, so you may find it difficult to schedule or reschedule later this quarter.

This is also a good time to check your registration (cmore.uchicago.edu) for this quarter and make certain that it is in order. See your adviser if you have questions.

Welcome back. You have my best wishes for the New Year.
