Re: Required quarterly conference

All first year and new transfer students must see their advisers this quarter for a required conference. This spring conference offers you an opportunity to take stock of where you are in your educational program and assess your interests and skills.

**To prepare for this conference, please complete "The Uncommon Assessment" at <http://www.college.uchicago.edu/academics/pdf/UncommonAssessment-2006.pdf>, print it out, and bring it with a copy of your resume to your appointment. **

Advisers are holding time in their schedules to meet with you between 4th and 7th weeks (April 20-May 12). Please take time this week to stop at the reception desk in Harper, or call the receptionist at 702-8615, to make your appointment. As you know, advisers' schedules fill up quickly. You may find it difficult to schedule, or reschedule, later this quarter. Should it be necessary to cancel an appointment, please notify the receptionist as far in advance as possible, so we can make your appointment time available to another student.

First year and new transfer students must have a Spring conference with their advisers to be eligible to select courses during the 8th week pre-registration period for Autumn Quarter. If have already seen your adviser for a substantive discussion and he/she indicated that meeting would count as your conference, then you are not required to come in now.
